Ordinary People. Extraordinary Power.

Did you know that you can now become a designated organ donor online by visiting www.donatelife-pa.org?

Stop by and visit with the folks from CORE at

Two PPG Place
Wednesday, June 27 from 9 am – 1:30 pm

during their online registration donor rally.
Talk to representatives from CORE along with donor families and recipients about their experiences or share some of your own.

Please feel free to invite friends and family members. Becoming a designated organ and tissue donor is one of the simplest ways to “give back” to the community.

One organ and tissue donor can save or enhance the lives of more than 50 people.

Thank you.
