This April we ask you to light a candle in honor of all Pennsylvanians on the waiting list to receive a life-saving organ transplant. We will light one candle for every 10 Pennsylvania residents in need of a transplant. We are searching for **770 individuals to stand with us** in Harrisburg, Philadelphia and Pittsburgh to represent the nearly 7,700 individuals on the organ transplant waiting list.

*Donate Life Pennsylvania, Gift of Life Donor Program, the Center for Organ Recovery & Education (CORE), the Pennsylvania Department of Health, and the Pennsylvania Department of Transportation will host a Candlelight Celebration for Life in three cities. We invite you to be a part of this meaningful event to kick-off April as **National Donate Life Month**.*

Philadelphia, Monday, April 5th

630 p.m. on the steps of the Franklin Institute.

Pittsburgh, Thursday, April 8th

7:00 p.m. in front of the Oakland Carnegie Library.

Harrisburg, Monday, April 12th

630 p.m. on the steps of the PA Capitol Building.

At each event, representatives from Donate Life Pennsylvania, transplant recipients and donor families will talk about the importance of organ and tissue donation. Each event will also feature a performance by Pennsylvania's own Sarah Marince and Anthony Rankin. Come hear their rendition of *Amazing Grace* and enjoy a free concert while supporting an important cause.

With your help we can increase donor designations and decrease the number of Pennsylvanians waiting for life's second chance. Be part of something life changing, **because life begins with you**.

Please RSVP for the Candlelight Celebration by **Monday, March 29, 2010** to:
